

CHSH Recently Acquires Shoe Manufacturer!
Now Opening 1000 retail Outlets!

China Shoe Holdings Inc. (CHSH)
\$0.58

After acquiring WSTG, a China Shoe Manufacturer, CHSH is now taking the shoes directly to the consumer via 1000 retail outlets. Spanned over 2 years, CHSH will fast become a major player in the industry. Watch for more news and get on CHSH first thing Monday!

Like last week, a lot of shows this week seem to be in rerun mode. Every season there are three or four episodes of really great live music. I'm sure this would be right up his alley. i have no insight into the programming decisions at showtime. "What it indicates is that basically any commodity can be copied. required in Mechanical Engineering Required Skills.

Kaczynski placed stamps on his packages to avoid face to face meetings with postal officials, she said.

That is why they want them picked up or brought into the post office.

In the Linn's article, the writer asked readers with anything similar to contact the newspaper.

Write a letter to the editor or start an online forum.

Here are a few shows airing this week.

Sweeney consistently charms me.

they traded some funny stories.

The requirements were further tightened after the Sept.

Customs warns about counterfeit stamps - New Zealand news on Stuff.
